About COMPANY

The foundation of R.B. Group was given 60 year back by Late Shri Kundanlal Ji Agrawal (Bhagat Ji) & Late Shri Gopal Das Ji Agrawal.

Late Shri SHYAM BEHARI AGRAWAL, the pioneer of the colour industry, took the whole group to new heights in true sense. He always had this ambition and courage to overcome the obstacles and try something new and different, and set higher trends day by day.

Since its inception the group has pursued its objective of making available best quality of colours and colour products. Traditionally the legacy has passed on to their successors and the group has achieved new heights and now the flagship brand R.B. Group i.e. COCK BRAND colour & gulal has become a well-known brand all over the country and has set new standards in terms of quality and value.

Radha kishan color world was formed as an arm of R. B. Group which is leading name since 60 years in the trade of colour product manufacturing.

The colorful festival of Holi is celebrated on Phalgun Purnima which comes in February end or early March. Holi festival has an ancient origin and celebrates the triumph of 'good' over 'bad'. The colorful festival bridges the social gap and renew sweet relationships. On this day, people hug and wish each other 'Happy Holi'.
